WEEK 2

LESSON 3

Activity 1

Using pages 27-31 of your vocabulary booklet, produce a leaflet about Hexham, and the surrounding area (if you like) for Spanish speaking visitors. Include as much detail as you can. Pay attention to the accuracy and quality of your work. Do this on paper and make it as attractive as you can. We will award prizes for the best ones!

You may use online dictionaries such as word reference and spanishdict to help you, but you should not use them to translate whole paragraphs. Do not use Google translate!
