

Health Careers: Working with Babies, Children and Families

Meet our patient Gwen. Gwen doesn't have an easy start in life. She has health problems and a learning disability, most of which are discovered before she is born. Find out how midwives, neonatal nurses and learning disabilities nurses support Gwen and her family before she is born, at birth and as she grows up.

Designed for GCSE, A-Level and Vocational students from Year 10 and upwards.

Livestream: 29th April 2025: 1.30 -2.30pm
